

PRODUCT CATALOGUE

**PRODUCER AND DISTRIBUTOR
OF REHABILITATION EQUIPMENT**

www.renpol.eu

ABOUT US

RENPOL was established in 2002. Our core activity is the production and distribution of rehabilitation equipment. In 2013 RENPOL was transformed into RENPOL Family Company. At the time, we have offered our customers a complex physical therapy programme with the use of a SPIDERSUIT therasuit.

In our offer you can also find a wide range of rehabilitation accessories and equipment.

If you have not find products of your interest in our catalogue, please contact us. We also manufacture and distribute individually customised products.

You can place your orders by e-mail at renpol@renpol.eu or biuro@spidersuit.pl or by phone at 501 280 316 and 510 120 091.
